The Corporate & Community Training Institute @ Indian River State College would like to work with you to make your dental practice more profitable. A high performance dental practice requires careful planning and when accomplished, exceptional results can be achieved.

Are your assistants practicing dental procedures without a certificate? I would like to encourage you to have your dental assistants log onto [www.doh.state.fl.us/mqa/dentistry](http://www.doh.state.fl.us/mqa/dentistry) to review the Board of Dentistry State Laws: Chapter 64B5-16.002 Delegation of Expanded Functions. Let the CCTI work with you to help your dental assistants fulfill the Florida Board of Dentistry requirements that all dental assistants be credentialed in Expanded Functions.

Please choose from the following areas of training or let us know what specialized training you would be interested in receiving.

- ◆ **Expanded Functions – Restorative and Specialty Area**
- ◆ **Expanded Functions – Preventive Area**
- ◆ **Professional & Career Development Skills and Knowledge**
- ◆ **Clinical Supportive Procedures – Lab**

**Only \$750 per day. \*Includes Training for up to 3 employees.**

**\*\*Only \$250 /person/day with 3 employees (Less than the cost of one Crown Prep)**
