

Just Like Having Your  
Own Office & More...

The INNOVATION INCUBATOR at Indian River State College is an accessible collaboration space for use by entrepreneurs, business owners, inventors, professionals, telecommuters, students and independents.

Now there's no need to meet prospects or clients in your garage, living room or local coffee shop. Enjoy professional space where you can copy, collate and work on your presentations and conduct business without being cramped on the kitchen table or in the spare bedroom. Here you'll discover an affordable place to work, learn and connect. The INNOVATION INCUBATOR @ IRSC is the place for you!

Make the INNOVATION INCUBATOR @ IRSC your 'business address'.
